The background of the slide features a series of thin, light blue lines that flow from the bottom left towards the top right, creating a sense of movement and depth. The lines are of varying lengths and curves, some overlapping each other.

Dynamic Website

I made this website dynamically during my internship at Odak Arge Merkezi.

Dynamic Website

I made a dynamic website, it takes dynamically information for devices.

Dynamic Website

When I choose the device , it shows informations.

Block Breaking Game

This game was my first game in game development.

I used unity as the game engine and c# for the software part.

Block Breaking Game

Bomberman

Bomberman, my last game I developed, is a single-player, multi-player and online game. I used the Unity game engine, and I used c# in the software part.

Dynamic E-Commerce Website

I made this website dynamically during my web developer course at Udemy . I continue to develop , my website every day.

Dynamic E-Commerce Website

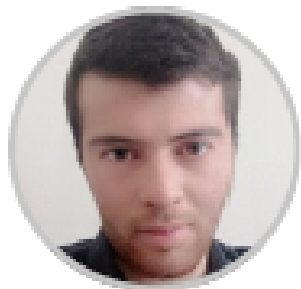

Holiday Travel Website

My website link
